

Company Overview:

Mearthane Products Corporation (MPC) is a privately-owned global technology leader in the development and manufacture of advanced polyurethane components, headquartered in W. Cranston, RI, with additional facilities in E. Cranston, RI, Woonsocket, RI, and Winchester, VA. MPC was founded in 1965 in Rhode Island, and has continuously operated since that time. Building on over 50 years of experience, MPC partners with customers to develop innovative solutions to their most difficult manufacturing challenges. We offer a collaborative and team-oriented work environment and an opportunity to develop your skills and career in a dynamic setting.

The Opportunity:

MPC is seeking an enthusiastic and self-motivated 2nd Shift Lead to join our Woonsocket Team. The Team Lead will oversee the overall operation of the 2nd shift to ensure the quality of the products produced meet or exceed production goals in a safe environment.

Essential Duties and Responsibilities:

- Ensure regulatory and safety compliance for all processes related to and supporting the production area.
- Management skills as necessary to manage 5-10 employees.
- Supervise the activities and personnel engaged in manufacturing of products within their assigned department and shift.
- Engage employees in continuous improvement, safety, and quality activities.
- Direct manufacturing personnel to maintain product quality and meet customer requirements.
- Review each shop orders for each task and assign to employees. Special instructions are conveyed, as necessary.
- Develop, direct, and manage manufacturing personnel and train them to properly utilize all equipment and tools.
- Interpret, apply, and/or enforce all company policies, programs, rules, regulations, and safety rules.
- Safely secure the building at the end of shift.
- Achieve departmental, plant, and corporate goals for safety, quality, and productivity.

Required Skills:

- Trustworthy and reliable
- Mechanical aptitude
- Organization skills and willingness to assume accountability for plant practices required
- Ability to stand for prolonged periods of time and carry loads of 50+ lbs.

Preferred Skills:

- Minimum of 3-6 years manufacturing supervisory.

Shift Hours:

- Monday – Friday, 3 p.m. – 11:30 p.m..
